

THANK YOU!

Thank you for purchasing a Digital Download of all your images from your recent session. Your high-resolution images will include a full copyright release and be available within 48 hours of your purchase. We've included some instructions to assist you.

Digital Images Download Instructions:

1

We will send you an email notifying you that your portrait session is ready to view and download

Click [Claim my Album](#)

2

Enter your **Album Number** and **Password**, which is located in the email and on your receipt

Click [Find Album](#)

3

Once your album is located,

Click [Save To my Account](#)

Please note: if you have not Logged In or created a Free Account, you will be prompted to do so at this time

4

Your album is now ready to download

Click [Download Album Now](#)

You will have the ability to download the entire album as well as download images individually

Enjoy your images!

If you have any questions, contact your local studio.
